## HOUSE BILL NO. 159 ON SECOND READING.

On motion of Mr. Sherrill, the regular order of business was suspended to take up and have placed on its second reading and passage to engrossment,

H. B. No. 159, A bill to be entitled "An Act to amend Chapter 25 of the General Laws passed by the Thirty-ninth Legislature at its Regular Session in 1925 by adding a new section to said chapter, to be known as Section 84a, authorizing such districts to declare an emergency in certain cases and under certain limitations, and to issue interim bonds in evidence of such emergency loans, and pledge taxes and bonds of the district to secure payment of such emergency loans evidenced by such interim bonds; and to further amend said Chapter 25 by adding to said chapter two other additional sections, to be known as Sections 75a and 75b; Section 75a to provide for the adding to the area of water control and improvement districts which are known as 'municipal districts,' so that the boundaries of such districts shall include the total area of an included city or town embraced in and served by such district, and providing for a hearing on benefits, and providing for exclusion of lands in an appropriate case; and Section 75b to provide that territory not embraced in a water control and improvement district may be annexed to such a district in the same manner as is provided for the creation of such district; providing that if any part of this act be held unconstitutional, such decision shall not affect the validity of the remaining portion of this act; providing that the

provisions of this act shall not repeal any former statute on the subject of water control and improvement districts, but shall be cumulative thereof; enacting provisions incident and necessary to the subject and purpose of the act, and declaring an emergency."

The Speaker laid the bill before the House and it was read second time.

Mr. Sherrill offered the following (committee) amendments to the bill:

(1)

Amend House bill No. 159 by striking out Section 75b under Section 2 of said bill and add in lieu thereof as follows:

"Defined areas of territory not embraced within a water control and improvement district may be added to the area of any such district in the manner hereinafter provided.

"Petition for an annexation of such territory shall be signed by a majority of landowners therein or by fifty land owners if the number of such land owners is more than fifty. Such petition shall be filed with the secretary of the board of directors. It shall be the duty of the board to pass an order fixing a time and place at which such petition shall be heard, which date shall be not less than thirty days from date of such order. The secretary shall issue notice of such time and place of hearing and which notice shall fully describe the territory proposed to be annexed. The secretary shall execute said notice by posting copies thereof in three public places in the district and one copy in a public place within the territory proposed to be annexed; said notices to be posted for fifteen days prior to date of said hearing. Publication of copy of such notice shall be made in a newspaper of general circulation in the county, one time, and at least fifteen days prior to such hearing. If upon the hearing of such petition it is found that the proposed addition is to the advantage of the district and if the water supply canals and other improvements would be sufficient to supply the same without injury to other lands of the district, then the board by resolution duly entered upon its minutes may receive such proposed territory as an addition to and to become a part of the district. The added territory shall bear its pro rata part of all indebtedness or taxes that may be owed, contracted, or authorized by said district to which it shall have been added. Such resolution need not include all of the land described in the petition if upon the hear-

ing a modification or change is found necessary or desirable; provided, however, annexation of the territory shall not become final until ratified by a majority vote of a separate election held within the boundaries of the district, and by a majority vote of separate election held within the territory to be added thereto. The manner of holding such election and the notice for such election, manner, and time of giving such notice, and qualifications of voters therein shall be in all things governed by provisions of Chapter 25 of the Acts of 1925 relating to elections held for confirmations of districts. In the event the district has outstanding debts or taxes then at the same time and at the same election the proposition for assumption of its proportion of such debts or taxes by such territory if added shall also be submitted."

(2)

Amend House bill No. 159 by inserting in the caption in the reference to 75b and after the word "district" just preceding the semicolon, by changing the semicolon to a comma, and inserting the following: "And as set out in this act."

The amendments were severally adopted.

House bill No. 159 was then passed to engrossment.

## HOUSE BILL NO. 97 ON SECOND READING.

On motion of Mr. Acker, the regular order of business was suspended to take up and have placed on its second reading and passage to engrossment,

H. B. No. 97, A bill to be entitled "An Act to amend Articles 6205 and 6221, of Title 109, of the Revised Civil Statutes of 1925, and to amend Chapter 153 of the General Laws of the Forty-first Legislature, and declaring an emergency."

The Speaker laid the bill before the House and it was read second time.

Mr. Acker offered the following amendment to the bill:

Amend House bill No. 97 by striking

out all below the enacting clause and insert in lieu thereof the following:

"Section 1. That Article 6221 of Title 109 of the Revised Civil Statutes of 1925, and amended by Chapter 153, General Laws of the Regular Session of the Forty-first Legislature, be so amended as to hereafter read as follows:

"Article 6221. On the first day of September and on the first day of March of each year the State Automatic Tax Board, which includes the Governor, Comptroller and State Treasurer, shall first allot to each Confederate veteran who is now drawing a pension, or whose application may be hereafter approved, the sum of twenty-five dollars (\$25) per month for each year; to each widow of a Confederate veteran who was born prior to January 1, 1854, who is now drawing a pension, or whose application may be hereafter approved, the sum of twenty-five dollars (\$25) per month for each year; provided further, that no pensioner shall ever draw a larger sum than a Confederate veteran, and the remainder of said appropriation shall be equally prorated among the pensioners in indigent circumstances, and whose claims to pensions have been established and filed; and the Comptroller shall issue his warrants for the amounts due said pensioners in the manner provided by law at the end of each quarter. All such pensions shall begin on the first day of the quarter next succeeding filing and establishment of such application. After the apportionment the Comptroller may fill any vacancies created by death or other causes at any time between the first day of March and the first day of September each year.

"Sec. 2. That Article 6222a of Chapter 153, General Laws of the Regular Session of the Forty-first Legislature, and all other laws in conflict herewith are hereby repealed.

"Sec. 3. The fact that the Confederate veterans and the widows of Confederate veterans whose ages are more than seventy-five years, and their present pension is inadequate to maintain them in their present places of abode, and the further fact that such veterans and their widows are rapidly passing away, and the postponement of such additional benefit to them will mean undue privation in their declining years, which this State is unwilling to inflict upon them, creates an emergency and an imperative public necessity that the constitutional rule requiring bills to be read on three several days in each house be suspended, and said rule is

hereby suspended, and this act shall take effect and be in force from and after its passage, and it is so enacted."

Signed—Acker, Graves of Erath.

Mr. Wallace offered the following amendment to the amendment:

Amend the amendment to House bill No. 97 by striking out the figures "1854" wherever they appear and insert in lieu thereof "1859."

Mr. Acker moved to table the amendment.

Yeas and nays were demanded, and the motion to table prevailed by the following vote:
